

PITT MEADOWS ARENA COMPLEX

The Pitt Meadows Arena Complex has a long history as the recreational hub between the mighty Fraser River and the majestic Golden Ears mountains. Our community is known for its unique blend of urban appeal and rural charm. The newly renovated complex will bring new opportunities. The centre allows us to plan for the future as we grow to an expected population of 20,000 by 2020.

A potential of 500,000 people will visit the centre each year. The arena complex is the centre of non-stop sports, four seasons of the year.

The complex includes 3 ice pads - 2 NHL size, renovated change rooms, a spacious foyer, a large multi-purpose room, food services, snack and beverage dispensers, and administration offices.
